

Ref.: 28918

USE

- Retractable workbench perfect for fast-paced construction environments, ideal for both indoor and outdoor use.
- Can be used as a workbench where the user can cut, drill or to do any job that requires a flat support or just use it as a table by placing a tile, board or panel on top.

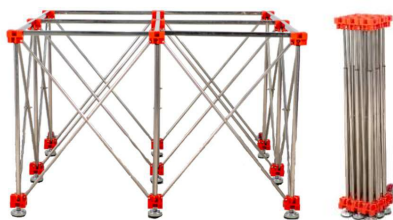

MAIN FEATURES

- PROFESSIONAL table for OCCASIONAL use.
- Retractable workbench ready to use it, requiring no assembly. It takes just seconds to set up.
- Folds down quickly and fits into its custom storage bag.
- Can be easily transported using its built-in wheels.

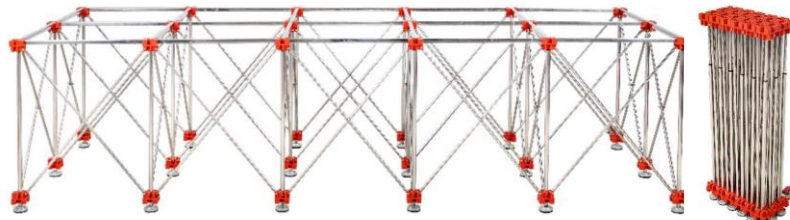

OTHER FEATURES

- Features removable crossbars to provide additional stability.
- Made from stainless steel, is durable and designed to withstand outdoor conditions.

REF.28918 - RETRACTABLE 120x120 CM
